Subject: Evaluation of Reclamation Surety, Sunroc Corporation, Levan Henry Mine, M/023/0023, Juab County, Utah

Dear Mr. Sumsion:

Enclosed with this letter is a copy of a letter dated January 8, 2013, asking that you provide a revised reclamation cost estimate for the Levan Henry mine. The Division of Oil, Gas and Mining understands you did not receive a copy of the letter.

By the current letter, the Division extends the deadline for submitting the revised calculations until September 30, 2013. Please submit the cost estimate as an amendment to the Notice of Intention to Commence Large Mining Operations (LMO).

Please contact Wayne Western at 801-538-5263 or by e mail at waynewestern@utah.gov if you have questions about the surety worksheets which are available on the Division's web page.

The Division also requests that you review the LMO to ensure it is adequate and reflects the current operating conditions. Any necessary changes should be addressed by submitting an amendment to the LMO. Thank you for your cooperation.

Sincerely,

Paul B. Baker
Mining Program Manager
